Shariff Jimmy's Portfolio Goals for 2024

1. Streamlined Introduction:

Goal: Craft a concise and welcoming introduction on my portfolio, effectively communicating my role as a web designer and developer.

2. Simplified Project Showcase:

Goal: Showcase three key projects with simplified highlights, ensuring visitors quickly understand the impact and focus of each.

3. Enhanced Skill Display:

Goal: Clearly outline my skills using a simplified list, emphasizing core technologies like HTML, CSS, JavaScript, React.js, and Node.js.
